FURTHER PARTICULARS.

Judge William J. Leake received a telegram last night, says Sunday's Richmond Times, from Rev. Robert W. Patton, announcing the death in San Francisco on Saturday of his brother, Dr. William Rives Patton, who had been in ill health for some time past. Dr. Patton, who was a young man of great promise and popularity, was a son of Col. John M. Patton, of Albemarle, so well known in this city. He attended school for a number of years at Randolph-Macon College, Ashland, and afterwards graduated in medicine at the Medical College of Virginia, in this city, after which he removed to San Francisco, to practice his profession. He was one of several sons, those who survive him being Rev. J. Lindsay Patton, now an Episcopal minister to Japan, who married the only daughter of Judge J. W. Leake, of this city; Rev. R. W. Patton, of the Episcopal Church, at Roanoke; Messrs. Alexander, Mercer and George Patton. No particulars have been received as to the funeral, but his remains will probably be brought to the old family home in Albemarle for interment.

Nininger & Fellers, of Roanoke; Booz & Young, of Fincastle, and the Eller Shovalter Company, of Salem, were the purchasers. These engines will be used for threshing wheat, hauling heavy material and at saw mills. This makes twenty-one pieces of machinery made by the Geiser Manufacturing Company in all that this bustling Roanoke concern have sold within the past year. The engines were fired up yesterday afternoon and started for the homes of their respective purchasers. The amount of money that changed hands on this deal was in the neighborhood of \$4,000. A HORRIBLE ACCIDENT.

Further particulars of the explosion at Radford mentioned in yesterday's Times, which resulted in the death of Engineer Jas. Washey and Fireman Chas. Gillespie, bear out the report published yesterday. Both Washey and Gillespie were residents of Radford. The injured flagman, Vines, was a resident of Roanoke. Mr. Gillespie leaves a wife and four children and Engineer Washey a bride of only four months. The cause of the explosion is said to have been from trying to carry too large a number of cars and allowing the water in the boiler to get too low.

CORONER'S INQUEST.

A coroner's jury was summoned yesterday to hold an inquest over the remains of Sarah Anderson, colored, who died Monday evening. The circumstances surrounding her death were such as to cause a suspicion of malpractice and Coroner Lewis and the following jury were accordingly summoned: M. J. Jennelle, R. H. Angell, W. H. Lookabill, A. J. Banks, W. H. Strickler and Judge Claiborne. Several witnesses were examined and the jury brought in a verdict of death caused by the premature birth of a foetus. There was a suspicion of malpractice on the part of another colored woman, but the evidence adduced from the investigation was not sufficient to cause the jury to bring in charges.

A ROW AT THE MARKET.

A drunken man and negro caused considerable excitement last night at the market house. Our I's and....

...Other Eyes.

Our I's are just as strong as they were fifty years ago, when we have cause to use them. But we have less and less cause to praise ourselves, since others do the praising, and we are more than willing for you to see us through other eyes. This is how we look to S. F. Boyce, wholesale and retail druggist, Duluth, Minn., who after a quarter of a century of observation writes:

"I have sold Ayer's Sarsaparilla for more than 25 years, both at wholesale and retail, and have never heard anything but words of praise from my customers; not a single complaint has ever reached me. I believe Ayer's Sarsaparilla to be the best blood purifier, that has been introduced to the general public." This, from a man who has sold thousands of dozens of Ayer's Sarsaparilla, is strong testimony. But it only echoes popular sentiment the world over, which has, "Nothing but words of praise for Ayer's Sarsaparilla."

Any doubt about it? Send for "Curebook" It kills doubts and cures doubters. Address J. C. AYER CO., Lowell, Mass.
